K. General information and conditions

Capital risk

Unit prices will fluctuate relative to the market value of the securities comprising the funds' portfolios, and can increase or decrease accordingly. Should any guarantees be furnished against price fluctuations, this shall be by a party other than the manager with details and costs clearly defined.

Redemptions

Units will be repurchased by the administrator at the net asset value calculated in accordance with the requirements of the Unit Trust Control Act and the relevant Trust Deeds and paid to the unitholder within two working days of the written request, unless the disinvestment exceeds 5% of the total fund value in which case the payment date will be negotiated with you. Certificates issued in respect of units repurchased must be returned for cancellation. If the units to be repurchased are subject to a pledge, written consent is necessary for the transaction. Repurchase instructions which include a change in your banking details must be accompanied by a copy of a cancelled cheque or bank statement less than three months old.

Investor communication

A transaction advice will be sent to you once your investment has been processed. Statements will be issued on a quarterly basis. Our client service consultants are available during business hours on 061 275 700 (Monday to Friday from 08:00 to 17:00).

Pricing and cut-off times

Forward pricing occurs at 15:00 each business day and at 17:00 on the last business day of each month. Units will be purchased at the ruling net asset value price on the date of your deposit by the administrator. Completed application forms and notification of deposits must be received before 14:00 for the investment to be executed on that day. If received after the applicable cut-off time, your money will be invested at the net asset value price of the next day. The 14:00 cut-off time also applies to redemptions and switches (unless the amount being disinvested exceeds 5% of the total fund value). Please ensure that we receive new or changed debit order instructions at least 10 days before the debit order commencement or cancellation date which you have specified. All purchases are subject to a 14-day clearance period in respect of subsequent redemptions. Distributions on purchases within the 14-day clearance period will be automatically reinvested.
