— *Our expertise. Your advantage.* —

### 2019 BURSARY PROGRAM

Namibia Asset Management Limited (NAM) is an independent Namibian registered asset management company providing both institutional and personal investors with a platform to build financial wealth.

We strongly believe in empowering Namibians to gain the wisdom and knowledge required to build a better and brighter future. We are therefore proud to announce the continuation of NAM's tertiary education bursary program. An invitation is hereby extended to ambitious, driven and responsible Namibian students currently studying at local NQA accredited Namibian universities within the following fields:

- ❖ Financial Mathematics
- ❖ Accounting and Finance
- ❖ Economics
- ❖ Investment Management
- ❖ Other Financial/Investment related fields

**Only applicants who meet the following criteria will be considered:**

- ❖ Students currently in their second year or higher of studying at local NQA approved universities.
- ❖ Superior academic track record
- ❖ Namibian Citizen

Please apply by fully completing an application form available on our website, [www.namasset.com.na](http://www.namasset.com.na) and attach a letter of motivation, together with certified copies of your ID and your recent academic records.

All deserving Namibian students are encouraged to apply.
